

VersaJette™ – 36XX MX MICR Color

Revolutionary MICR-enabled multi-function printer

Fast. Economical. Reliable. Environmentally Sustainable. Flexible. Powered by x-nano™ ink technology.

- Revolutionary! MICR-enabled color all-in-one
- Save 50-80% on ink using INKVERSE™ Blades for easy and cost saving refill of included refillable MICR and Color ink cartridges
- Powerful Print/Scan/Copy/Fax features for general office applications, document printing, high quality pictures and bank accepted checks
- Wireless and mobile printing

A breakthrough all-in-one printer that delivers enhanced color and MICR printing flexibility. The VersaJette™ 36XX MX MICR Color offers enhanced productivity and flexible paper handling for users with a requirement to print color and MICR marks, barcode images and text (E13B, CMC7) on documents, photos, labels, certificates and more. Powered by unique x-nano™ Color and MICR printing technology, the VJ 36XX-MX delivers performance beyond any standard color inkjet and laser. This breakthrough all-in-one printer produces fast, high-quality color and MICR prints. This wireless printer easily prints from tablets and smartphones. Three paper trays offer added versatility—load up to 500 sheets in the front, and use the rear tray for envelopes and specialty paper. Additional features include auto 2-sided print/copy/scan/fax and a 3.5" color touchscreen.

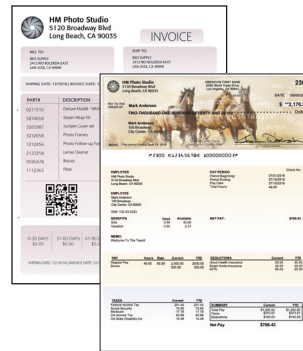

Mobile Enabled & Flexible Paper Handling

VersaJette™ 36XX MX MICR Part#: VJ-36XXMX

Add magnetic (MICR) content, images and artwork to personal and business documents, value items such as tickets, labels, certificates, tags, ID badges and more. The included color variety of inks allow users to create standard visible content embedded with MICR text, or graphics*.

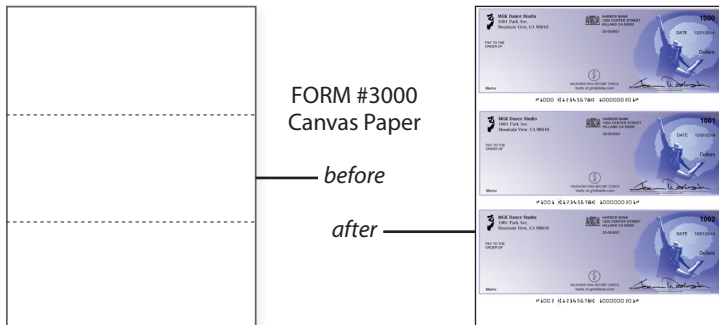

MICR Fonts

Add MICR content to documents, photos, certificates, checks and more.
